The salary set forth in this Schedule has been calculated based on anticipated legislative appropriations and revenue control limit adjustments that are required to be enacted pursuant to A.R.S. § 15-901.01. If, after issuance of the Contract, the District's total revenues or budget capacity are less than that set forth in the Preliminary Budget, individual's salary may be reduced pro rata with all staff. If, after the issuance of the Contract, the District receives appropriations or revenue control limit adjustments in excess of the minimum required amounts set forth in A.R.S. § 15-901.01, the Governing Board reserves the right, in its discretion, to increase individual's salary.
